APPLICATION FOR WATER SERVICE AND WATER USERS' AGREEMENT

The undersigned, being the owner or occupier of land located within Rural Water District No. 2, hereby makes application to said District for water service, and if water service is made available by said District, agrees to the following conditions.

1. Pay a minimum monthly charge for each water service from the time service is made available by the District, and pay for water used at the rate set out in the rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly charge or rate schedule by the Board of Directors of the District shall become part of this agreement as though fully set out herein.
2. The District shall render service bill for water used at the end of each month and the undersigned agrees to pay said service bill on or before the 15th day of the month, following the month in which the bill is rendered, or be subject to a late charge of 10%. Failure of the District to submit a service bill shall not excuse the undersigned from their obligation to pay for the water used when the bill is submitted. Failure to pay a bill by the 15th day of the month in which the bill is rendered shall result in discontinuance of service.
3. The water service supplied by the District shall be for the sole use of the undersigned; the undersigned agrees that they will not extend or permit the extension of pipes for the purpose of transferring water from one property to another, nor will they share, resell, or sub-meter water to any other consumer. Each meter service shall supply water to only one residence or business establishment located on land within the District.
4. If water service is discontinued or disconnected for any purpose, pursuant to the By-Laws and the Rules and Regulations of the District, reconnection shall be upon the conditions set out in the By-Laws and the Rules and Regulations of the District.
5. The undersigned agrees that they will make no physical connection between any private water system and the District. Representatives of the District may at any reasonable time come on the premises where the water is being used, for making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
6. The laws of the State of Kansas, the By-Laws and the Rules and Regulations of the District, as presently existing, and as may be amended from time to time, are made a part of this agreement as though fully set out herein.
